# *Classic Dimensions*

First of all — what do these words mean? CLASSIC — of the highest quality or rank; of the first class. DIMENSIONS — the environmental factors within which something or someone exists. Now, put them together and what do you get? Our school, Thomas K. Gorman, is a first class place to exist!!

# . . . of a Yearbook Staff

This page features some very important people . . . your yearbook staff. Being on yearbook staff is a time-consuming, difficult task. There are numerous problems and lots of hard work involved in putting together the book you now hold. Yet there are also fun times, too, and a sense of pride for all those staff members who have worked hard and put forth much effort to produce an outstanding book. I appreciate the 85-86 yearbook staff and the fact that they care enough to help preserve this year's memories for us all.

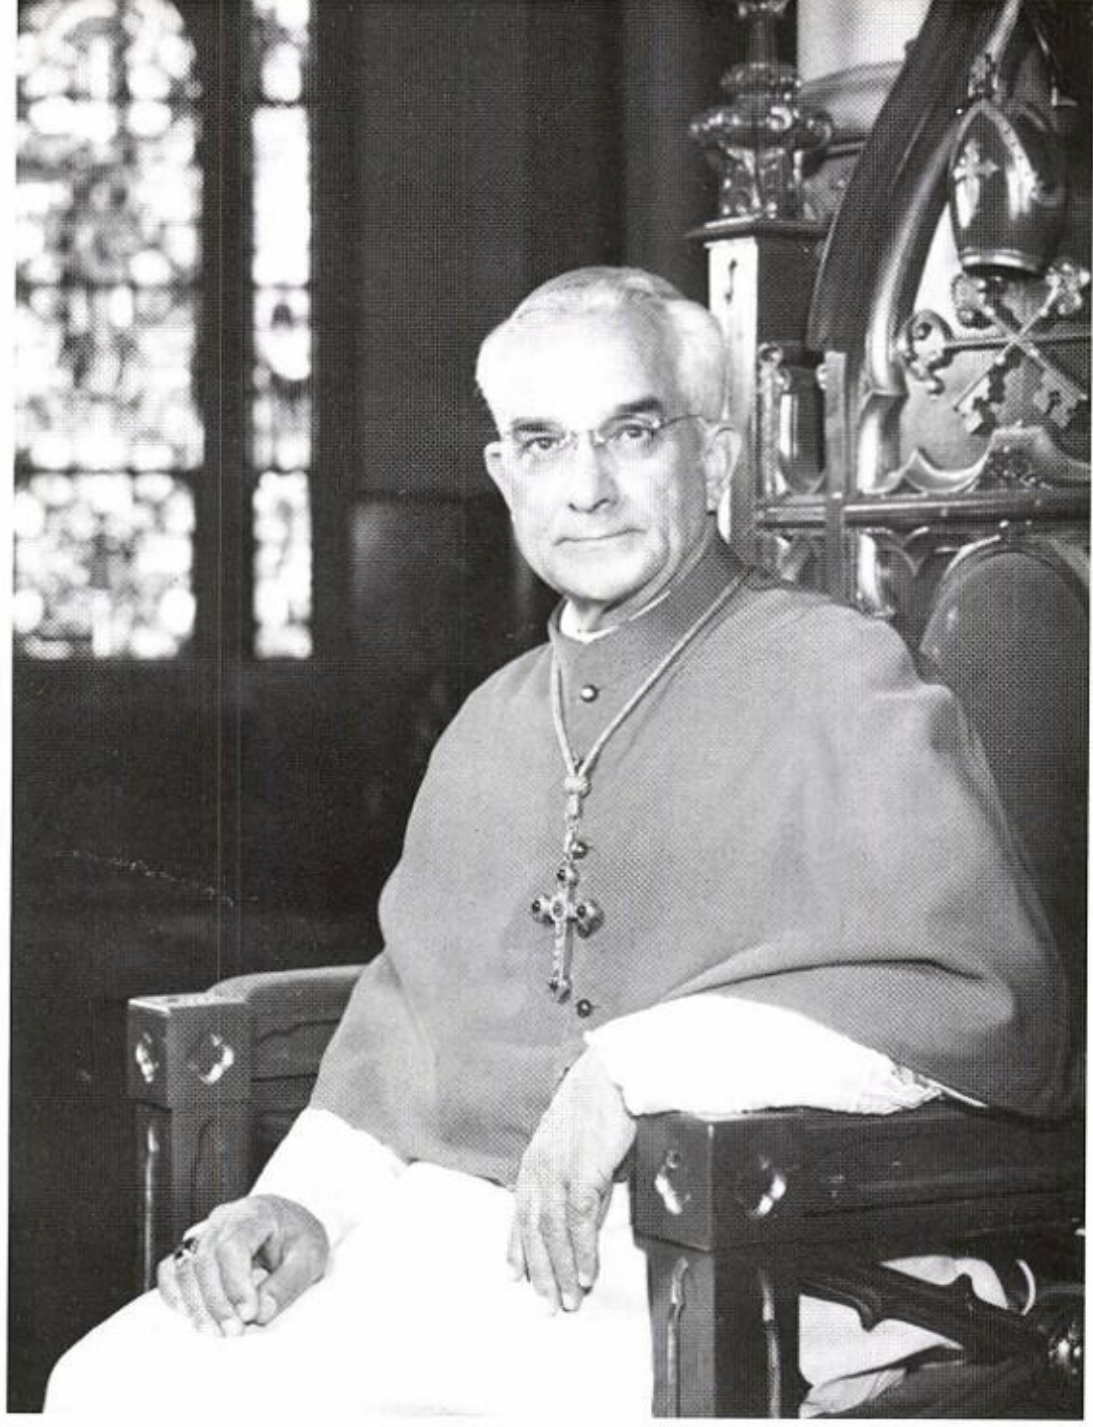
# Bishop
# Thomas Tschoepe

Bishop Tschoepe has been the bishop of the Dallas Diocese since 1969. He has visited the Gorman community many times. He actively participated in the dedication of the new building. His continuing support and guidance are an asset to the community.

"Catholic schools are unique expressions of the Church's effort to teach each student according to his proper destiny, namely, God. At T.K. Gorman Schools, the richest and most fundamental values known to man are examined and taught in a setting of high academic quality."

Bishop Thomas Tschoepe
Bishop of Dallas



# Monsignor
# Milam J. Joseph

Monsignor Joseph came to Immaculate Conception Parish in 1969. He has been a teacher and principal at T. K. Gorman High School. Currently he is the parish pastor and the superintendent of the Tyler Catholic School System. Monsignor Joseph was instrumental in the establishment of the new T. K. Gorman facilities in 1982 and continues to plan and implement projects for the improvement of the Tyler Catholic School System as well as the parish.

## Activities

# Homecoming — 1985

One of the biggest activities of the year is our Homecoming. The Homecoming Princesses are chosen by the members of their class. The Queen is always a senior. The senior class selects five girls who are then voted on by the entire student body. The queen is announced during the Homecoming presentation at the halftime of the football game. Our 1985 queen was Judith Richbourg.

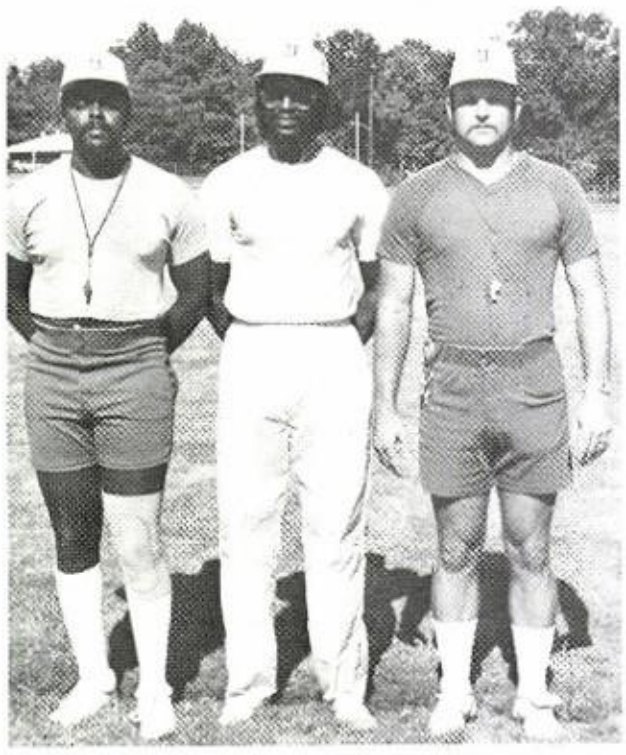
# Football '85

Our 1985 football season began the year under the hot August sun with a new head coach. Coach Bobby Rose came to us from Troup High School to take over a team that won the state championship in 1984. However, that state championship team had 13 seniors on it who were now gone, and it was expected that this year would have to be a rebuilding year. The 1985 Crusaders proved that this was not true. They pulled off the unexpected by taking us to the State Championship game for the second year in a row. Although they were not able to bring home the victory over Victoria St. Joes, being a state finalist in a year that was supposed to be a rebuilding one is certainly an accomplishment that the 1985 Crusaders can be very proud of.



COACHES — Gerald Anthony, Charles Nelson, and Head Coach Bobby Rose.

# Boys Basketball

Our boys basketball team started the 85/86 season with a new head coach, Gerald Anthony. Coach Anthony, formerly of Troup High School, found only three starters back from last year, but with the aid of some good players from last year's J.V. team plus some new students, he was able to develop a very successful team. After a somewhat slow start, the team came on to win the Zone championship as well as the District Tournament. They then advanced to the State Tournament in San Antonio. After a first round defeat by Galveston O'Connell the Crusaders came back to take 3rd in the tournament. It was an exciting finish to a great season.

TKG fans always look forward to the possibility of going to the state basketball tournament in San Antonio, and this year's team made that happen for them. This year the tournament was held at Trinity University instead of the more famous Hemisfair Arena, but the trip still provided a great time for all who were able to attend and who cheered our boys to their 3rd place trophy.

Our girls basketball team also had a new head coach this year. Mr. John Carney, who had previously coached TKG teams in the 70's, took over with a very dedicated and hard working group of girls. The team had a slow start, but made excellent progress through the season. Although they did not advance to a post season tournament they won several good games including a big one against zone rival St. Johns of Ennis.

# Baseball — 1986

The 1986 baseball team, under the direction of Head Coach Ken Coughlin, assisted by Coach Gerald Anthony, was a relatively young team this year. The team was made up of sophomores and juniors with only four of these being returnees from last year's team. Though the team lost more games then they won, many of the losses were to schools from larger classifications than ours. In district play, against St. John's, we won the first game and almost took the second, but they pulled it out by a score of 4-3. They then came back and defeated us in the third game which advanced them to the District Championship.

Our Cheerleaders and Drill Team did a great job at raising the spirit and providing great performances for our football and basketball games.

# Crusaderette Drill Team

The Drill Team had continued success this year under the direction of Mrs. Karen Graham. Their performances at both football and basketball games received high acclaim. The Drill Team is made up of girls in grades 9-12, and puts forth much hard work and effort to enrich school spirit and provide spectacular halftime performances.

# Lectors

The lectors and eucharistic ministers are part of a program in which Mr. Coughlin is working to involve high school people in the central part of religion with the purpose that they become more involved now and will continue this involvement and become church leaders as adults. The lector program is open to all grades and all faiths. These people have gone through training to proclaim the work of God from the Scriptures.

# Eucharistic Ministers

Eucharistic ministers must be either juniors or seniors of the Catholic faith. They have received special training in distributing the body and blood of Christ in the Eucharist.

# Student Government

The Student Government, under the dedicated leadership of Sr. Ann Bourke, is made up of the officers of each class as well as the three representatives. Also included in the membership are representatives from various school organizations. One important activity which is sponsored by Student Government is Homecoming Week and Homecoming Dance. Basketball Dance was also sponsored by Student Government. Through Student Government, students may bring up problems which they feel exist in the school. The group may then work together with the faculty and administration toward a resolution.

# The Great Wall Transformation

T. K. Gorman, Robert E. Lee, and John Tyler High Schools were asked by the Chamber of Commerce to work together to transform the unsightly graffiti wall on the Loop to a Mural honoring the Texas Sesquicentennial. The project proved to be a great success and one that was very much appreciated by the community.
